

Pupil Acceptable Use Policy Agreement for KS2

This is how we stay safe when we use computers:

I will ask a teacher if I want to use the computers and I know that the school will monitor my use of computers.

I will keep my passwords safe and secure - I will not share them with anyone.

I will only use activities that a teacher has told or allowed me to use.

I will take care of the computer and other equipment.

I will ask for help from a teacher if I am not sure what to do or if I think I have done something wrong.

I will not share personal information about myself when I am online.

I will tell a teacher if I see something that upsets me on the screen.

I know that if I break the rules I might not be allowed to use a computer.
