## School Attendance Action Plan

The purpose of this action plan is to detail how we will promote attendance in our school and improve to above 95% consistently throughout the academic year for all year groups.

A school year has 195 days, 39 weeks, and 6 terms.

Five days in each school years are training days for teachers (= INSET days)

Pupils attend school therefore for 190 days.

A school day is divided into two sessions. A pupil therefore should attend school for 380 sessions.

- One day off per school year means that a pupil has about 99.5% attendance.
- Ten days off per school year means that a pupil has about 94.7% attendance.
- Twenty days off per school year means that a pupil has about 90% attendance
  - 90% attendance means 4 whole weeks off school.
