Dear Parents/Carers,

Have you thought about giving your child school meals? Are you unsure whether your child would enjoy the food on offer? We may have a solution for you!

On Wednesday 4th and Thursday 5th October we will be holding school meal taster sessions. The taster sessions are available for all children in the school. Lunchtime staff will offer children a small sample of some of the meals that we have to offer. There will be something different available to try on each of the days stated above.

If you think your child would like to try some of the taster items, please encourage them to keep an eye out for lunchtime staff carrying trays of delicious food, all they need to do is ask to try it!

All of our meals are freshly prepared on site by trained, friendly and helpful staff. Every school day there is a choice of freshly cooked main meals and desserts, with seasonal salad counters, seasonal fresh fruit and yoghurts.

Someone else can plan and cook for your child, saving you time in preparing a packed lunch, time you can enjoy with your child.

Children can sit and enjoy their meal with friends in a dining room whilst developing essential social skills that will be valuable throughout their lives. Well-fed children are more likely to be receptive to the day's learning.

PLEASE REMEMBER – if you'd like to change your child to school meals, **ensure you inform the school office in advance** as meals are ordered per child on a daily basis.

Don't forget to always keep the school office informed of any changes to your child's dietary requirements and allergies.

If you would like to see the school menu please visit the school website.

Yours faithfully,

Ms C G Kiely
Head Teacher
