5<sup>th</sup> February 2018

Dear parents,

First of all, we would like to thank you for all the help and support with your child's reading. Hearing your child read on a regular basis impacts directly on the amount of progress your child makes.

In the summer term, your child will undertake the phonics screen where they are expected to read a number of real and alien words which contain the 44+ phonemes that they have been learning during Read Write Inc lessons.

Every Friday we will send home a table of real and alien words for your child to practise at home. We would like the table returned the following week with a small dot next to the words that they could **not** read. This will enable us to deliver targeted interventions during the week to support your child and their particular reading needs.

If there are any questions or queries then please do not hesitate to ask a member of the year one team for support and once again we thank you for your continued support.

Mrs Woollaston & Miss Sullivan
