5th June 2018

Dear Parent / Carer,

Futures Festival

Next week we are holding our annual Futures Festival in school. This is where we encourage the children to think about what is involved in working in a range of different jobs and careers, how future jobs link to their current learning in school and encourage them to think about what they might like to do when they are older. The week includes visits from a range of different professionals to talk to the children, special assemblies and lessons in class.

As part of the week, we are having a **dress-up day on Monday 11th June** where children can come to school dressed up as what they might like to do when they are older. There is no need to bring in any money for dressing up on this day.

We hope you have fun putting together your costume ideas and discussing what your children might like to do with their futures!

Many thanks for your support,

Mr. Whitney

SMSC Leader

*Ambitious young minds are the future leaders of our
community*
